### God's Word

*Trust in the LORD with all your heart and lean not on your own understanding. Proverbs 3:5*

### Fire Prevention Week

October 6-12 is Fire Prevention Week, so we will be talking about fire safety and also about dialing 911 in the case of an emergency. Because so many families don't have a landline, we will not practice dialing 911. I encourage you to spend time at home showing your child how to dial 911 whether that be on a landline or your cell phone. To ensure your family's safety, talk with your child about what would happen in the event of a fire at your house.

### Fall Fun

Fall is the season of harvest. In observation of this time, we will be taking a closer look at pumpkins. Every year we go to the Springborn's farm to pick pumpkins and go on a hayride. The Springborn's have invited the preschool families to come in the late afternoon on Thursday, October 10 at 4:30.

We will also enjoy roasted hotdogs and marshmallows around a bon fire with other food served as well.

Their address is 3679 Hwy 95 NW, Cambridge.

### Important Dates

- Fall Fun at the Springborn's farm  
**October 10** beginning at 4:30
- Preschool will be closed **October 17-18** for Teachers' Convention.

### Jesus Time

In these first weeks of preschool, the children have felt God's love for them as they learned about the creation of the world and the fall of man into sin. They have come to know the power and wisdom of God in his six days of creation with a seventh day to rest and come to him in worship and praise.

Each week I will send home the Bible story we have been studying with a picture to color or an activity to do. Take time to review the story, monthly Bible verse and song or poem with your child. Let your child tell you what he/she has learned from the story and see how you can apply God's truths to the lives of each member of your family. This is a great opportunity to spend some quiet time with your family in the study of God's Word.

We will also be spending the month learning the passage you see printed at the beginning of each newsletter and applying it to our lives.

### Our Bodies

This month we will talk about how wonderfully God made our bodies, both inside and out. We will learn about the five senses and the names of some of the body parts and what they do.

### Snack Schedule

The snack schedule is posted in three places

- Classroom bulletin board
- Website: Preschool/Important Documents
- Website: Preschool/Calendar
